*Please bring this form to your Concentration Coordinator by the midpoint of your final law school semester. Once this form is completed and signed by your Concentration Coordinator, return it to the Office of Academic Affairs in Suite 343.*

---

*A writing course also may satisfy an elective, but cannot satisfy both the writing requirement and the transition to practice requirement. The same course may not be used to satisfy both the elective course or the writing requirement and the transition to practice requirement.

**Externship in the criminal field or placement in judicial chambers with a criminal docket are recommended but not required.*
