Intellectual Property/Patent Law Curriculum

**Foundation Courses for IP Law**

- If you are generally interested in Intellectual Property, it is recommended that you take:
  - Copyright Law; and
  - Patent Law; and
  - Trademarks & Unfair Competition
- If you have a strong interest in one field (Copyright, Patent, or Trademarks), then you may want to take:
  - Introduction to Intellectual Property and Copyright Law; or
  - Introduction to Intellectual Property and Patent Law; or
  - Introduction to Intellectual Property and Trademarks
- It is not recommended that you take all four Foundation Courses

**Foundation Courses for Patent Law**

- If you are interested in Patent Law, it is recommended that you either take:
  - Patent Law; and
  - Copyright Law; and
  - Trademarks & Unfair Competition
--OR--
  - Introduction to Intellectual Property and Patent Law

It is not recommended that you take all four Foundation Courses
