CAREER FAIR LOGISTICS

Employers will have the opportunity to preselect 70% of interviewees and 30% will be assigned by the HNBA to make the interview experience available to all job seekers that register for the HNBA Career Fair. Every year, certain employers choose to collect materials through a resume collect, rather than participating in the interview program itself. This year employers will also have this option included in the cost of the HNBA Career Fair registration. Please continue to visit http://www.hnba.com/news-events/career-fair/ for more information as it becomes available.
