The Rome Center of The Catholic University of America and The Australian Catholic University is located on the Janiculum Hill between the historic neighborhood of Trastevere below and the modern neighborhood of Monteverde above. Both are within walking distance of the Center and are very safe neighborhoods. Trastevere is especially known for its restaurants and lively night life. The neighborhoods of St. Peter’s (Borgo), Piazza Navona, Pantheon, and the Ghetto are all within easy walking distance of the Rome Center as well.
