Two ways to browse recent products liability cases:

1) The Products Liability Reporter published by CCH, available on WESTLAWNEXT. Sign on to your account, and navigate to the Products Liability Reporter. Cases will be displayed in reverse chronological order.
   a. Home > Secondary Sources > Texts & Treatises > Wolters Kluwer (CCH) > CCH Products Liability

2) U.S. Law Week, published by BNA.
   a. From the Law Library’s list of Research Databases, type “us law week” into the search box, and click on the result. (Note, if you are working from home, or from your laptop on campus, you may have to use the proxy server. Instructions are here.)
   b. From the U.S. Law Week homepage, click on the “Case Alert and Legal News” tab at the top of the page.
   c. From the Case Alert page, look for the Finding Tools section in the lower right.
   d. click on Browse Indexes, and then navigate the alphabetical listing to products liability to view recent cases.
