A note about using the Finding Aid:

Microform publications are listed in alphabetical order in the Finding Aid with the cabinet location and specific drawer shown next to each title. For example, the listing for the ABA Journal has 40(a) as its location. This identifier indicates that the fiche is located in cabinet number 40, drawer letter a. Next to some titles there are locations that have a number and two letter designations: one in bold, upper case indicating the cabinet; the other in parenthesis and lower case to indicate the drawer. For example, the location for the American Bar Association Archive Publications is 26B(g)-28(b), which means the fiche can be found in cabinet 26B, drawer a, through cabinet 28, drawer b. Cabinets 1 through 5 (against the right-hand wall) have both an over cabinet, designated as drawers a-e, and an under cabinet, designated as drawers f-o.
