

My name is Claire Whiteman and I'm running to be your Vice President for Financial Affairs. As an undergraduate, I received an associate's degree in general business, and a bachelor's in economics, with a minor in business. After graduating from the University of Maryland, and prior to coming to law school, I worked in condo association management, where I was personally responsible for developing and implementing an operating budget for eight condo buildings in D.C., many with funds in excess of \$1,000,000. In bringing this knowledge and experience, I am confident that I can effectively lead the budget committee and manage the budget in the most efficient, fair, and transparent way. I hope to have the opportunity to advocate for the student body and to ensure that SBA funds are used in fair ways that allow every student to benefit from their contribution.

Thank you for considering me as a candidate for Vice President for Financial Affairs!
