

### Nicole Pickeral's Speech

My name is Nicole Pickeral and I am running for the 1E Class Representative position. I will keep this short because I know you guys are busy and have probably read and heard so many new things in the past couple of weeks that you are probably overwhelmed with the influx of information. I know that you chose to pursue a legal education because of the opportunities that you would be afforded. I want to be the Class Representative because I want to make sure that our 1E class has the same advantages as the day students. I want to be the bridge between the school and you. My main priorities would be to 1) stay informed of all opportunities available to evening students and provide that information to you and 2) to advocate for any additional resources that may be needed. I hope that you will give me an opportunity to earn your trust and advocate on your behalf. Thank you for your time!
