

Eric Meyers, CFA

Vice President | Portfolio Manager

Eric joined Congress Asset in 2017. In his current roles as a Research Analyst and Portfolio Manager, he is responsible for analyzing and presenting financial data on public companies and industry trends to formulate investment recommendations in the Health Care sector. He is also Chair of the Socially Responsible Investing Committee and a member of the Small Cap Growth Investment Committee.

He has 22 years of investment research experience, having previously been an analyst at Century Capital Management, Loomis Sayles & Co., and Federated Investors.

In his free time, he volunteers on the Board of the Saint Joseph Elementary School and coaches youth soccer in his hometown of Needham, MA.

Education:

BA; University of Notre Dame

MBA; Carnegie Mellon University
