Please view the second page for clinic and externship courses, as well as our Summer 2019 Cracow program.

* With the exception of the Cracow program, J.D. students are limited to one course for the Summer term. With permission, a student may supplement this one course with a Directed Research project or externship credits (including the Becoming a Lawyer course for first-time externship takers).

** Please note: Although May 23, 2019 is the official last day to add a summer course, students are asked to register prior to the first day of classes, May 20, 2019. Failure to attend a course for the first week of a seven week class will place a student severely behind within the course.

* Students in the Cracow program are limited to a maximum of 6 credits. The add/drop deadline for all Cracow courses is two days from the start of the individual course. If you are interested in applying for the Cracow program, please contact Ms. Constantia Dedoulis at dedoulis@law.edu.

1. Writing Course (WC). Successful completion of this course will satisfy one of the two upper-level writing requirements.
2. Veterans Advocacy and Estate Planning Clinic is a 12-week program, running through mid-to-late August. Interested students must fill out a separate application in the CCLS office prior to or at the time of registration. Evening students have priority in this course and visitors may enroll only with the approval of the faculty supervisor.
3. If this is your first externship at the Law School, you must sign up for both Becoming a Lawyer and Legal Externship. If you have already completed an externship at the Law School (and thus have already taken Becoming a Lawyer), you should only register for Legal Externship. All externship work hours used toward meeting the 120 or 180 hour requirement must be completed by July 31, 2019. Visiting students are allowed to enroll in the externship classes only with the permission of the Academic Dean of the student's own law school, our Assistant Dean and our Director of Experiential Learning.
4. Student/advising faculty must submit Directed Research form by May 23, 2019. If project is approved by the Associate Dean, registrar will then give student permission to register within Cardinal Station.
5. Limited to 18 students.
6. This course meets the Transition-to-Practice requirement and a portion, or all (if 6 credits), of the Experiential Learning Requirement. If a student also completes a portfolio within the clinic, this will fulfill one of the two upper-level writing requirements.
7. This course meets one of the two upper-level writing requirements and 3 credits of the Experiential Learning Requirement.
8. Selected students only.
9. This is an "online" Becoming a Lawyer class. There will not be a weekly meeting at the Law School. However, the professor may schedule an in-class presentation session.
10. Students who are in their second or greater externship (for credit) do not take Becoming a Lawyer. However, these students are required to attend meetings with Law School supervised fieldwork instructors.

11. Prior to registering for Legal Externship credits, students must complete the on-line Legal Externship Placement Approval Form, located on the following website: <https://law-cua-csm.symplicity.com/>
Once your externship is approved, you will be given permission within Cardinal Station to register for the 2 or 3 credit Legal Externship.
12. This course can be used to partially satisfy the Experiential Learning Requirement.
